

C-Cosmo 6C Module Wall Plates

British Standard

The Clipsal 6C Series Wall Plate is compatible with 6C standard (37.5mm x 22.0mm) requirements. The wall plate is designed to accept up to 2 keystone modules and includes channel label, clear label cover, mounting screws and screw covers. The 6C modules is ideal for floor box applications.

Blank 6C Module

- Modules are based on British standard dimension of 37.5mm x 22.0mm.
- Blank modules should be used when not fully loaded.

Angled 6C Module

- Available in angled downward exit.
- Fits Clipsal Keystone type modular jack.

E2032RJ6CIGA

E2032RJ6CI

PRODUCT FEATURES

- Allows easy fitting and removal of 6C modules from the front.
- Fits into most standard 6C floor box plates.
