

C-Classic Rectangular Euro Wall Plates

The Connect 30 Series Euro Wall Plate is compatible with Euro standard (87mm x 147mm). The wall plate is designed to accept up to 4 Keystone modules. Wall plates include shuttered or non-shuttered, designation label, clear label cover, mounting screws and screw covers.

Blank Euro Module

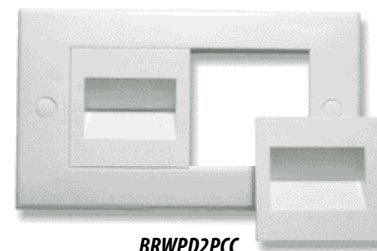

- Modules are based upon European standard dimension of 50mm x 25mm and 50mm x 12.5mm.
- Blank modules should be used when not fully loaded.

Angled Module Euro

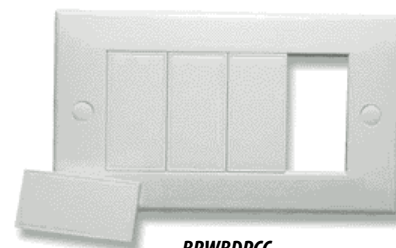

- Available in angled downward exit.
- Suited to floor positions.
- Fits ST, SC simplex and SC duplex adaptors.

Euro Shuttered Angled Connector Module

- Available in angled downward exit.
- Fits keystone jacks. Accommodates Category 6+ Modular Jack.
- Shuttered for dust protection.
- 1 module size 50mm x 25mm.
